

## T-PLAS BANGKOK – 19 MARCH 2004

### Montmeló, Barcelona, Spain- 26 April 2004 Merquinsa highlights commitment to Asia market at T-Plas Bangkok Conference

On March 19<sup>th</sup> 2004, Jean-Marc Galvez, Global Business Manager, Elastomers gave a paper at T-Plas Bangkok conference on how Merquinsa, a top four global TPU player keeps innovating in TPU specialty elastomers through product & application development.

Special emphasis was put on how its Pearlthane® and Pearlcoat® TPU solutions based on differentiated technologies such as polycaprolactone, low melting point or continuous process meet Asian market needs (automotive, consumer, footwear etc) for cost effective, high quality resins. Merquinsa serves its Asian customers from its regional centre in Hong Kong.

MERQUINSA would like to thank the conference organizers and participants who made this event successful and exciting. MERQUINSA is committed to succeed.

Merquinsa headquarters are in Montmeló near Barcelona, Spain, with regional centres near Boston in North America and in Hong Kong.
